Fox Valley Health Professional Colleagues:

FVHP offers a wide variety of benefits for members including:

- Creating professional, supportive relationships with healthcare colleagues
- Staying current with up-to-date advanced practice nursing news
- Obtaining CE credits by attending events throughout the year

With the change of the new year, Dr. Bonnie Nickasch will be transitioning as President of Fox Valley Health Professionals. Over the next couple of months Fox Valley Health Professionals will be transitioning to an online communication and registration system. Our new system will be linked directly through the FVHP website and Facebook page.

If you are willing we'd like to request that you go to the FVHP website at [www.foxvalleyhp.org](http://www.foxvalleyhp.org) and enter your contact information so we can make sure our contact list is up-to-date. We don't want to miss you when we transition to this new online communication system.
